All Hands Diversity Meeting

TO: NSD Employees

From : James Symons, NSD Director

Subject: ***Reminder*** **All Hands Diversity Meeting - Wed, Feb. 7, 2PM, 50 Aud. on Diversity & Education & Outreach Program**

This is a reminder that the AFRD, Nuclear and Physics Divisions are holding an All Hands Diversity Meeting on Wednesday, Feb. 7th at 2 pm in the Bldg. 50 auditorium.

This meeting will focus on Education & Outreach opportunities at the lab and on aspects of Diversity in our workplace. The agenda includes presentations by Laurel Egenberger (PACS), Peter Seidl (AFRD) and Mike Johnson (NSD) on Education & Outreach opportunities and experiences, and an invited speaker that will cover topics on diversity at the workplace.

The three GS Division Directors will be present and will address questions on these and related matters.

All hands attendance is expected.

LDRD

FY 2008 Laboratory Directed R&D (LDRD) Proposal Schedule

December 8, 2006

Director issues call for proposals and guidance for FY 2008 LDRD to Division Directors and staff scientists

December 15, 2006

Call for proposals announced in Berkeley Lab View

March 14, 2007

Principal investigators submit FY 2008 LDRD proposals to Division Directors

March 21, 2007

Division Directors forward proposed FY 2008 LDRD "Laboratory-wide" proposals to the Director's Office

March 28, 2007

Director's Office issues guidelines for proposal reviews

April 13, 2007

Division Directors forward all other proposals, with their rankings, to the Director's Office

May, 2007

Reviews for all FY 2008 proposals

June, 2007

Director notifies Division Directors of preliminary FY 2008 awards. Awards will also be announced at the start of the fiscal year in Berkeley Lab View after DOE approval and authorization to proceed.

Hong Kong Has Second H5 Bird Flu Case in Two Weeks (Update1)

By Clare Cheung

Jan. 14 (Bloomberg) -- A dead Hong Kong bird was found to have the H5 avian influenza virus, the city's second case in two weeks.

宮崎・新富町でH5亜型確認 鳥インフルエンザ

2007年02月02日00時43分

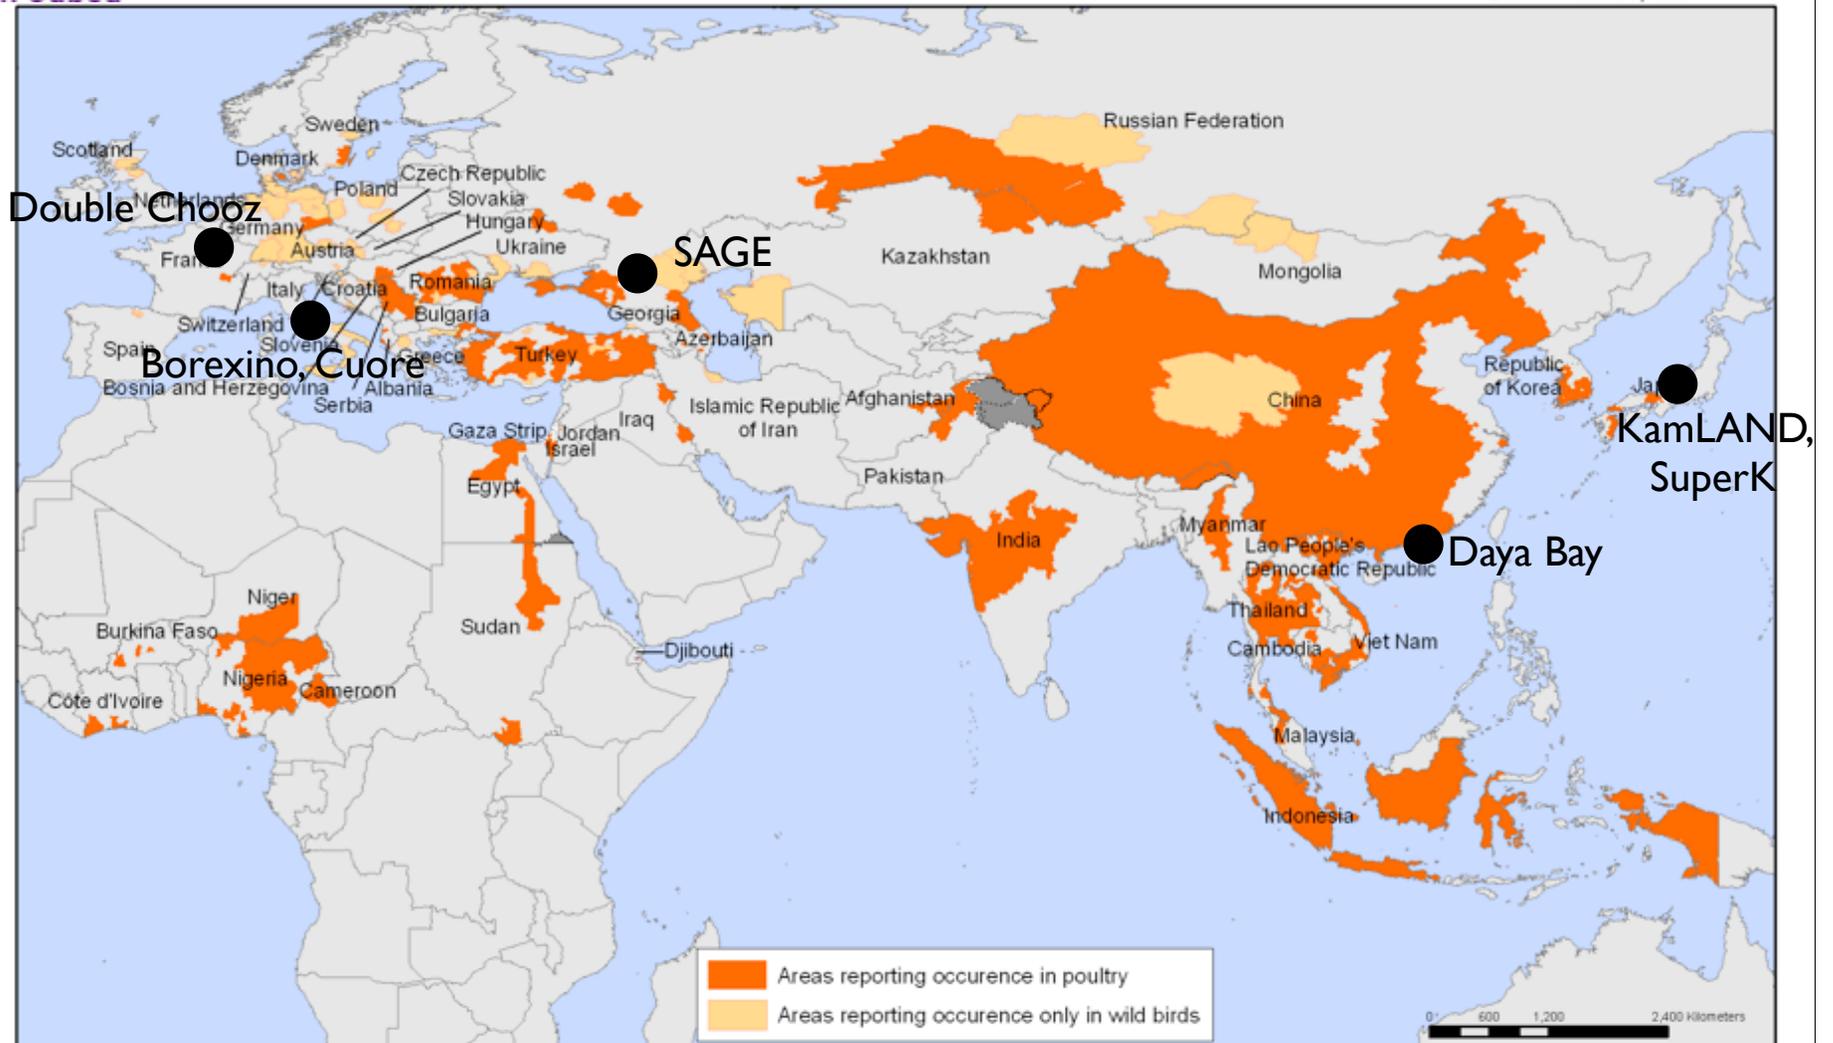

宮崎県新富町の養鶏場で採卵鶏が大量死した問題で、農林水産省と県は1日、H5亜型の高病原性鳥インフルエンザウイルスの感染を確認したと発表した。この3日間で死んだ鶏は計316羽。県は半径10キロ圏内を移動制限区域にし、約100養鶏場の約350万羽の鶏などの移動を同日午後6時半から禁止した。2日から、この養鶏場の残り約9万3000羽を殺処分する。

4 Safety

Avian Flu Be Prepared at home

- Do not pick up any dead birds.
- Report dead birds to your vector control office. **Alameda County: 510-567-6800**
- Wash hands prior to food preparation after going to the bathroom.
- Listen for updated reports regarding the spread of Avian Flu.
- Contact your doctor if you develop symptoms of the flu.
- Stockpile emergency supplies as part of a general family disaster recovery plan.

4 Safety

Protect yourself from Avian Flu while traveling

- **Avoid direct contact with chickens, ducks, or geese.**
- **Avoid live animal markets.**
- **Avoid touching surfaces contaminated with poultry feces or secretions.**
- **Practicing frequent hand washing or use of alcohol gels (>60% alcohol).**
- **Do not eat uncooked or undercooked poultry or poultry products, including dishes made with uncooked poultry blood.**
- **Consult a health care provider if you become ill with fever & respiratory symptoms within 10 days of returning from an affected area.**
